

This is to certify that

Liz Yochum

has successfully completed the

REHAB TRAINER

REHAB ESSENTIALS

A highly practical, gym-based approach to the safe and effective training of injured clients.

This course qualifies the above trainer to engage new skills, loosely defined as “rehab”, in order to reduce clients’ pain from injury or training.

Program code 01835FA0210

Total number of CEC points awarded: 15
